The President's Cup raised \$439.00 in donations and raffle monies. A check will be presented to								
Myrt Rogneby, GSWPGA President, at the year-end luncheon, for the charity of her choice.								
Flight payouts are not equal due to so many withdrawals. Flight payouts were determined by the								
number of players that participated in each flight.								
See you all next month at Riverbend for the Pro Am tournament.								
Note: 57% of flight participants were in the money.								
NOTE: A 'Power Play' Sand Wedge was found at the 17th hole if anyone is missing a club.
