53% of Teams were in the money (16 of 30)

53% of Paid Players were in the money (52 of 99)

Thank you Riverbend. Let's hope we have better weather next month at Mt. Si.

In order to pay individuals in whole dollars, some team winnings were either rounded up or down, depending on the dollar fractions and on how many individuals per team were paid. Pros do not receive GSWPGA winnings. They have their own pot of money, so some team winnings were divided by 3 players and others divided by 4.
