Our first tournament was pretty darn WET - under the feet! It was fairly mild for the first few groups, but the skies opened up and brought hail for those near the end. Consequently, some chose not to finish the 2nd nine, since the competition was better 9. Thank you to Twin Rivers for hosting the tournament. The greens were decent, but some areas on the course were shoe sucking wet! Not sure if any other course would have been that much better, given all the rain and cold everyone has had.
