Thank you to Riverbend Golf Course and Riverbend Ladies Club for hosting our first tournament!  
It was a little wet this year but nearly everyone toughed it out!

We are adding \$10/flight from the general fund again this year to sweeten the pot! So \$80 was added to the prize fund.

As usual, we aim to pay out 50% of the field. Flights with odd numbers will be 1 over half the field so so those with 9 players were paid 5 places.

Because of ties, 60% of the field received payouts

\*\*\*\*\* Better Nine handicap used the handicap for the best nine selected, rather than 1/2 handicap.

At Riverbend the front nine is rated harder. If you had an odd handicap, then the front nine would have 1 more handicap stroke than the back nine. Ie: A 19 handicap would have a 10 on the front nine and 9 on the back nine. This is why there are no scores with .5
