Thank you to Willows Run for hosting us and accommodating the huge field we had!

It was a crazy tournament because we had several people not finish their rounds due to heat and smoke and a lot of x-s. Note that some of the scores listed are italicized due to the holes that were X'd, so they may be off a stroke or two from what your card read. It did not affect the team score.

A blind draw was done for Dorothea Harding's partner, Mary Means. Cecile Kerkof was drawn.
