

2021 GSWPGA Spring Sweeps Better 9

Jefferson Park

1-Apr-21

ATTENTION: Explanation of Best Net to Par, Front/Back:

The competition is Better Net Nine. Using Net to Par was discussed at the February General Meeting for use in the Eccie 9, and a question was raised concerning Jefferson. The reason for using Net to Par is it is more indicative of skill. The scores of a 3 on a par 3 (Even/0) and a 3 on a par 4 (-1) are not "equal", therefore, using Net to Par is a better metric to use to determine the winners.

For THIS tournament - Better Nine, most courses have the same par on the front and back. However, Jefferson Park is different. The Front nine is par 36 (with 2 par 5's and 2 par 3's) and the Back nine is par 33 (with 1 par 5 and 4 par 3's). In addition, the slope/rating for the front and back is vastly different, with the front being much harder. Because of this difference, we are using the Net to Par method of determining the winners, rather than purely net score.

What a beautiful day we had for our first tournament of the year!

Congratulations to all the winners.

A BIG thank you to Jefferson Park! They charged the Senior rate for everyone. We are refunding \$6 to all Regular rate payers, with the remainder added to the prize fund (\$24). The refund will be added to the payout checks to the clubs.
