

2020 Fall Sweeps

Snoqualmie Falls

10/7/2021

Low Gross of the Field	Janet Dobrowolski	77	\$ 24.00
Low Net of the Field	Jane Stark	70	\$ 24.00 *

This tournament was an ECCI 9, but not the kind people normally think of. Rather than just taking the lowest scores less half your handicap, the computer calculates your net score to par on each hole to determine which holes you actually did best on, based on where your handicap strokes lie. See an example for how this works below.

Thank you to Snoqualmie Falls for hosting our tournament! Unfortunately, the prospect of sanded greens kept a few people away, but those who took them on fared well! Fortunately, we only had sanded greens on the front nine! The weather was fantastic! Congratulations to all the winners!

Example:

You shot the following scores:

- 1) On two par 3 holes and five 5 par 4 holes you score net pars
- 2) on two par 5 holes you score net birdies
- 3) the other nine holes you have greater than net pars
- 4) your ecci score would be -2 because of net birdies on 2 par fives and even par on other 7 holes
- 5) rewarded for playing better than par on any hole

The ECCI 9 net scores shown on the report are for those with the best NET scores to par, not necessarily the lowest gross scores.
