

Spring Sweeps - Better Nine

Bellevue Golf Course

ATTENTION: Explanation of Best Net to Par, Front/Back:

The competition is Better Net Nine. The reason for using Net to Par is it is more indicative of skill. The scores of a 3 on a par 3 (Even/0) and a 3 on a par 4 (-1) are not "equal", therefore, using Net to Par is a better metric to use to determine the winners.

Bellevue Golf Course

4/12/2022

*** There was a 3 way tie for Low Net of the Field, at 71. Anna Lim, Di Chow and Kristina Laidler. A card-off was used to break the tie. The net score for the last nine holes (back nine) were used and Kristina was the lowest with a net 33. Anna had a net 34 and Di had a net 37 for the last nine.

The weather turned out better than expected, with no rain - at least for the earlier tee times!

Congratulations to all the winners.

A big thank you to Bellevue Golf Course! The course was in pretty good shape!
